About Us

Chif M is a company that specializes in the Installation of Solar and Electricity Back Up Systems, CCTV Cameras, Motor Gates and Electric Fences for both residential and commercial properties. With years of experience in the industry, Chif M is committed to providing top-quality solutions that meet the unique needs of each customer.

At Chif M, customer satisfaction is their top priority. We are committed to providing the highest level of customer service and support, ensuring that our customers are happy with their installations. With our expertise and attention to detail, Chif M is the perfect partner for all your solar and electricity back up systems, CCTV camera, motor gate, and electric fence needs.

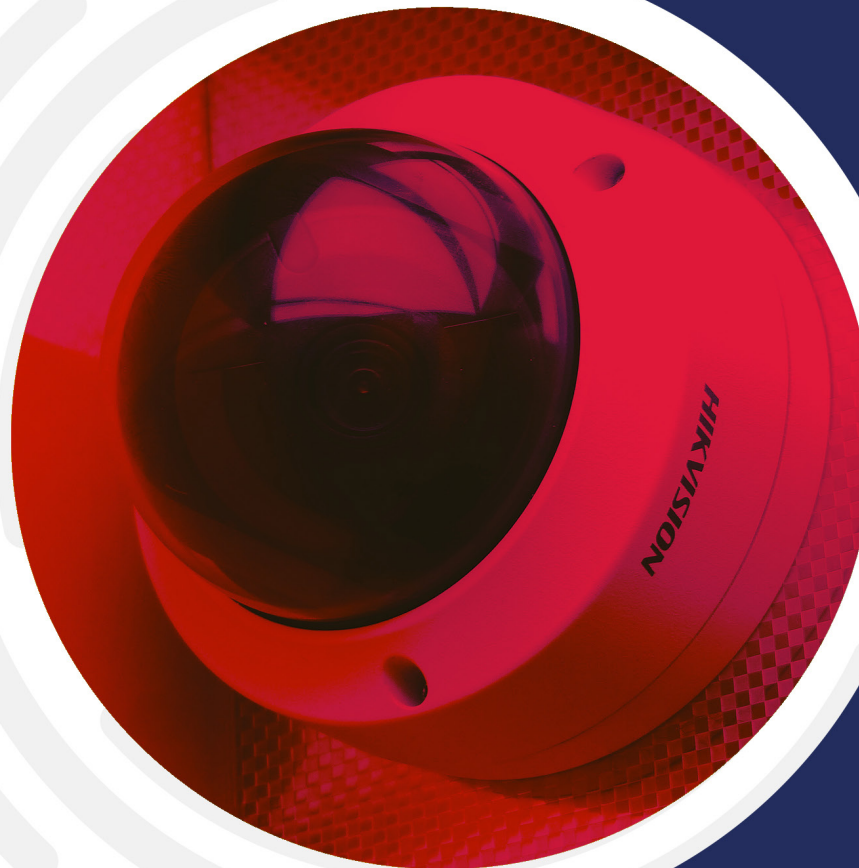

OUR CORE STRATEGIC VALUES

04) Our company is driven by strong values and passion to do business and we uphold the principle of **"Batho pele"**. Our approach is moulded around the following values and competencies :

- A high degree of professionalism and tenacity to deliver.
- Ability to implement a strategy to achieve optimum services levels.
- Ability to customise.
- Identifying and supporting opportunities not yet addressed the market.
- Strongly emphasise and encourage affirmative procurement and enterprise development.
- Skills transfer and the empowerment of emerging entrepreneurs.
- Investing in human capital thereby creating opportunities.

OUR SERVICES

Chif M is your one-stop-shop for all your solar systems and backup, CCTV camera, motor gate, and electric fence needs. We offer a range of services designed to help you secure and protect your property while reducing your energy bills and carbon footprint.

Solar and Electricity Back Up Systems :

Our team of experts will work with you to assess your energy needs and recommend the best solar system and electricity back up solution for your property. We offer back up, grid-tied, off-grid, and hybrid solar systems that are designed to suit your energy consumption patterns. Our solar panel installation services include a site survey, design, installation, and commissioning.

Motor Gates :

We offer a range of motor gates designed to suit your property's specific requirements. Our team of experts will install your motor gate quickly and efficiently, ensuring that it is fully operational and secure.

CCTV Cameras :

We understand the importance of keeping your property secure. That's why we offer CCTV camera installation services to help you monitor your property 24/7. Our team of experts will install high-quality CCTV cameras that provide clear footage and are easy to use. We also offer maintenance and repair services to ensure that your CCTV cameras are always in top condition.

Electric Fences :

Our electric fences are designed to provide an added layer of security to your property. We offer a range of electric fences that are suitable for both residential and commercial properties.

ABOUT THE FOUNDER

TSHIFHIWA GIVEN MABOHO
